Verse-by-Verse Bible Lessons Thru the Bible

2 Chronicles 34:15-22, 26-27 Application

1. If we read our Bible every day, we will be less likely to forget where it is.
2. We can bless others by giving them a Bible and praying for them to read it. We can support groups that distribute Bibles. Churches can offer free Bibles to visitors or those who have misplaced their Bible.
3. How wonderful it would be if it could be said of us as servants of God and friends of Jesus, “All that God has committed to them they are doing.” We can find out what God has committed to us by praying and reading our Bible.
4. No matter how important someone is in this world, they need to study and obey the Word of God. King Josiah provides a good example for all who serve in leadership of any kind. Many other kings have proved to be bad examples and the consequences of their leadership have devastated many.
5. When we do not understand something in the Bible or circumstances in our lives or churches, we can pray and seek a godly Christian to help us understand better and help us apply what the Bible teaches.
